2/3/68

Dear Sir:
Inclosed find 3 clippings on the Kennedy murder. I think you should notify J. Garrison about the important information they contain. But please return them to me because I want to keep them until the case is completely solved.

I have read all your books and am eagerly awaiting your next one.

Keep up your good work until we discover all the evil Fascist rats behind the Kennedy murder.

Sincerely,

Harry Kogut,
2111 N. Mobile Ave.
Chicago, Ill.
